

WRNHA PREAMBLE

Washington
Republican
National
Hispanic
Assembly

Be it resolved, that we American citizens of Hispanic and non-Hispanic origin, have chosen to incorporate into a legal Republican organization, to be known as the Republican National Hispanic Assembly so that we can demonstrate our commitment to the principles of good government. That like the Republican Party the RNHA will have chosen an open door policy. Ours will be an organization of equality, of opportunity for all and favoritism for none.

Our objectives:

- To support the Constitution and Laws of the United States of America and the Constitution and Laws of Washington State to the end that Government shall be truly and in fact "A government of the people, by the people, for the people."
- To support the principles, objectives and platforms of the Republican Party of the United States of America and the Republican Party of Washington State.
- To develop and maintain a strong, effective and informed Republican Hispanic constituency throughout the state.
- To encourage able and qualified American Hispanic Registered Republicans to seek office at all levels of government
- To elect Republican candidates to office at all levels of government.
- To develop viewpoints and positions on local, state, and national issues and to seek implementation of these viewpoints through local, state, and national Republican organizations
- To ensure the participation of citizens of Hispanic Heritage in the American political process and the Republican Party
